Miracle of You
Music and Lyrics
Lyrics by Mikey Pauker & Kenneth Pauker
Mikey Pauker (BMI) Copyright 2013

Mikey:

I'm coming down the mountain with my drum in hand,
I'll play you some tribal rhythms if you'll dance with me my friend.
We'll dance right in the moonlight, we'll dance right in the sand.
Beneath these golden mountain tops we'll dance right till the end.

And we will hold our hands, while we stroll.
For you I give my heart, for you I give my soul.
The miracle of you is the miracle of me.
For you I give my everything

Everyone:

Whooooooooahhhhhhhhhh ohhhhhhhh whooahhhhhhhhhh X2

Hannah:

Coming down the mountain and headed to the sea.
Swimming with my mermaid friends they swim so fancy free.
Flowing through the water, riding on the waves.
Looking at the beach front sand and sleeping in the caves.

Mikey & Hannah

And we will hold our hands, while we stroll.
For you I give my heart, for you I give my soul.
The miracle of you is the miracle of me.
For you I give my everything

Where Ghosts Can't Hide
by Mikey Pauker and Diwon
Mikey Pauker (BMI) Diwon (ASCAP) Copyright 2013

One step inside, one step out.
Three steps forward, all works out.
I'm forsaken I go where ghosts can't hide.

We are broken and complete.
Move us upwards, shift our feet.
I'm forsaken I go where ghosts can't hide.

Feel her spirit in my chest.
Quartz and Amber protect best.
I'm forsaken I go where ghosts can't hide.
I'm forsaken I go where ghosts can't hide.

(3 Part Chant)

Where ghost's can't hide.
Open your eyes.
Where ghost's can't hide.
It's bright outside!!
Where ghost's can't hide.
Open your eyes.
Where ghost's can't hide.
It's bright outside!!

I found the rhythm of your soul yes it beats too. x 4

The innocence reigns from the mountain peaks,
across the river where the daylight breaks,
Yes I believe in you in me. yeah!

across the river where the daylight breaks,

Plenty Of Love
Music by Mikey Pauker & Diwon
Lyrics by Mikey Pauker and Morgan Val Baker
Mikey Pauker (BMI) Copyright 2013

There's plenty of love, there's plenty of love.
In this universe, in this universe.
There's plenty of love, there's plenty of love.
In this universe, in this universe.

From height to height from sea to sea.
As the mist fall down on the good in we.
We cannot loose if we cannot fight.
Peace within propels our might.
There's yogis in the mantra room, kickin' it down, kickin' it down kickin' it down.
There's people in the street now chanting it loud chanting it loud chanting it loud.

There's plenty of love, there's plenty of love.
In this universe, in this universe.
There's plenty of love, there's plenty of love.
In this universe, in this universe.

Let the sun rise up, let it fall back down into the sea.
Let the sun rise up, let it fall back down into the sea.

The Rain

**Music and Lyrics by Mikey Pauker & Todd Kessler

There's nothing left I'm empty. I'm dry.
I've never been so thirsty in my life.
There's nothing left no waves crashing on the shore,
but what leaves must come back.

To return is a blessing.
Neshuvah achhsav!
נשובה אחשב

Chorus:
In The Rain. In The Rain. In The Rain. In The Rain
Let it Rain. Let it Rain. Let it Rain. Let it Rain.

Ahhhhhhhhhhhhh

We return where to where our cups will overflow

To return is a blessing.
Neshuvah achhsav!
